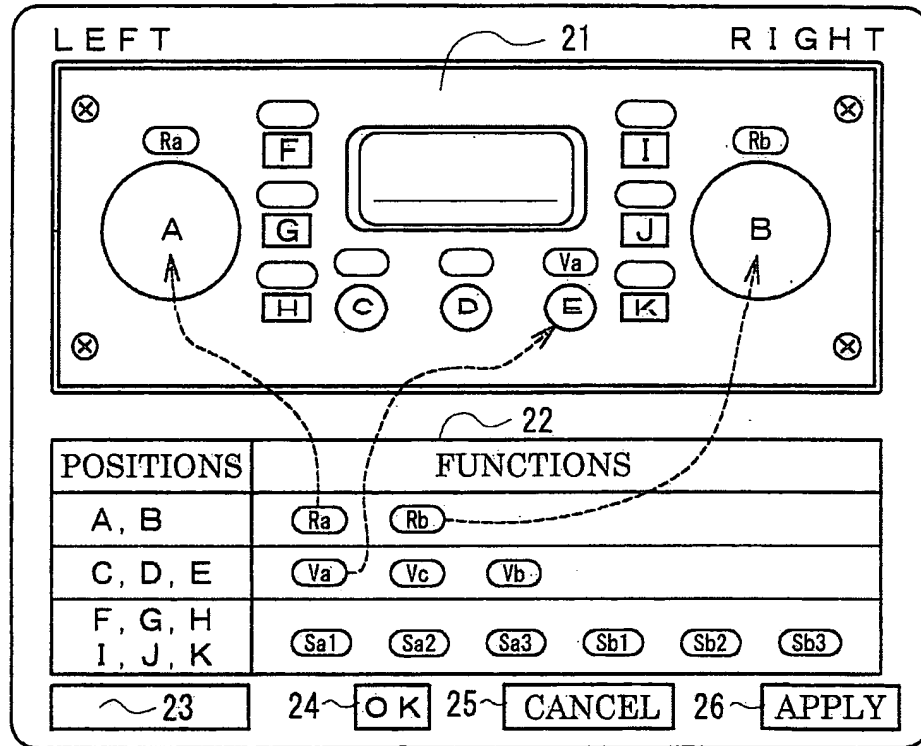

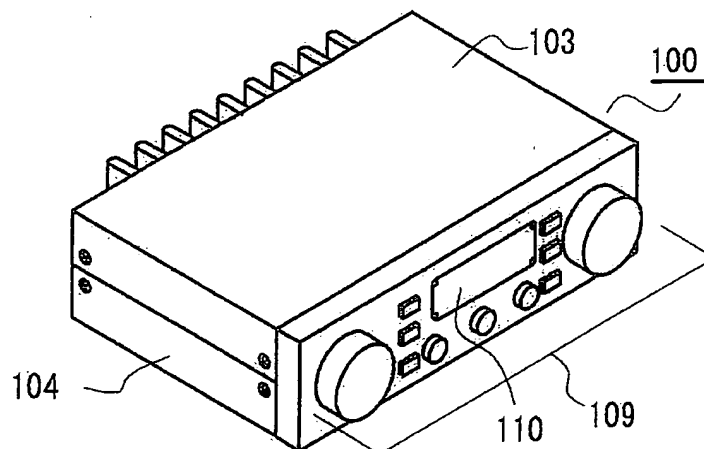

Fig 4

This exploded perspective view illustrates the assembly of a portable electronic device. The components are labeled as follows:

- 103**: Top cover plate.
- 102**: Main housing or frame, featuring a central rectangular opening **102a**.
- 101**: Internal structural component or bracket.
- 106**: A component, possibly a battery or power source, located within the housing.
- 104**: Bottom cover plate.
- 105**: A central electronic module or circuit board.
- 107**: A component, likely a display or control panel, mounted on the front of the device.
- 108**: A component, possibly a speaker or microphone, located on the side of the device.
- 110**: A circular component, likely a button or a lens.
- 109**: A base plate or mounting surface.

A dashed line labeled **A** indicates a cross-sectional view of the device, showing the internal arrangement of components.
